Talk on deposit insurance protection

KUCHING: Malaysian Deposit Insurance Corporation (PIDM) will be organising a talk on deposit insurance protection, banking, credit management and avenues for financial disputes at Hilton Hotel, here July 2.

The programme, the third to be organised, is to raise public awareness about deposit insurance and the role of PIDM as the national deposit insurer.

The press release issued by PIDM in Kuala Lumpur yesterday, said that the talk aims to educate the public about depositor protection and enhance its relationship with stakeholders among

the local community.

PIDM CEO Jean Pierre Sabourin said that the programme provides an opportunity to meet with the local community while creating greater awareness of depositor protection and financial system ability.

Speakers from Bank Negara Malaysia (BNM), Counseling and Credit Management Agency (CCMA) and Financial Mediation Bureau (FMB) will deliver their discourse at the event.

Interested participants are to register early by calling the toll free number at 1800-88-1266 or the website www.pidm.gov.my.
