

Public Talk on Effective Financial Consumer Protection

- Did you know that your bank deposits are automatically protected?
- How can you manage your credit card spending?
- Did you know that there is an alternative to settle financial disputes between you and a financial service provider besides going to the court?
- Where can I learn more about banking services and my rights as a financial consumer?

Take this opportunity to learn more about personal financial management and empower yourself as a savvy financial consumer. In conjunction with the International Deposit Insurance Week, Perbadanan Insurans Deposit Malaysia (PIDM) is organising a Public Talk on Effective Financial Consumer Protection.

Discover more about banking, deposit insurance, credit card management and avenues for financial disputes and get tips on good financial management. Besides PIDM, other participating agencies are Bank Negara Malaysia (BNM), Agensi Kaunseling dan Pengurusan Kredit (AKPK) and the Financial Mediation Bureau (FMB).

Gain comprehensive knowledge on financial management and consumer protection.

Admission is FREE.
